Knights from Festival in Ukraine organized a pilgrimage for windows and families of the fallen soldiers to Zarvanytsia in Ukraine where they prayed for their loved ones in front of the miraculous icon of Our Lady of Zarvanytsia.

Knights in Ukraine held a national rosary prayer on the feast day of OLG. Abp. Mokrzycki of Lviv and Bp. Bubniy of Odessa joined the prayer too.

At the end of the prayer, Bp. Bubniy noted that “in Ukraine we have a translation of the wonderful book about the Virgin of Guadalupe - Mother of the Civilization of Love. Today in Ukraine and the world, the civilization of hatred, violence is spreading. A man in his envy and pride reached such a peak that you can’t even imagine how it will all end”. Then he continued:

“But we are children of Mary, the Knights of Columbus, whose patron saints is mother of the civilization of love.

We believe and hope that through her prayer and intercession, the Lord will grants us, especially in Ukraine, peace, the end of the war end the civilization of love.

We believe in it and so we especially pray and turn to Our Lady of Guadalupe.

Let her be with us, let her accompany us”
